WA/2026/00446	2 KINGS ROAD HASLEMERE GU27 2QA	Change of use and erection of extensions and alterations to existing mixed commercial and residential building to provide 7 residential units together with associated car parking and amenity space; retention of part of building for commercial use (Class E).	No objection

WA/2026/00446 – 2 KINGS ROAD, HASLEMERE GU27 2QA

The committee noted that the applicant had amended the scheme following earlier refusal and submitted a sound planning statement. Members discussed concerns regarding parking, particularly given the overdevelopment of Kings Road, although it was noted that the site is in a location where reliance on cars may be reduced and parking provision exceeds the minimum standard.

The committee voted to offer **no objection** subject to the objections of Surrey Highways in respect of the parking layout and turning/exit arrangements onto the narrow road, and the Lead Local Flood Authority in respect of surface water drainage.

WA/2026/00429	THE BOAT HOUSE HINDHEAD ROAD HASLEMERE	Alterations to existing commercial building to provide one dwelling with associated amenity space and parking and the erection of bin and cycle stores.	No objection

WA/2026/00429 – THE BOAT HOUSE, HINDHEAD ROAD, HASLEMERE

The committee noted the proposal to develop the disused boat house into a dwelling on wooded land at the end of Deep Dene. The planning statement was considered thorough and no objection in principle was identified. Concern was raised regarding access onto Hindhead Road, which is already a bottleneck, particularly at school coach times. Members also noted the historic flooding concerns associated with previous proposals for the site, although no neighbour objections are currently shown on the planning portal. Any drainage matters were considered to be technical issues for the case officer and consultees. The committee voted to offer **no objection** to the application as submitted.

WA/2026/00471	9-11 JUNCTION PLACE HASLEMERE GU27 1LE	Erection of first floor extension and raising of roof ridge height including installation of dormers and rooflights to provide 2 additional residential units.	Objection – see comment below

WA/2026/00471 - 9- 11 JUNCTION PLACE, HASLEMERE GU27 1LE

Committee members considered that the increased height would appear unduly prominent, exceeding that of the new apartments opposite and creating an uneven appearance within a row of buildings in separate ownership. The application appeared to encompass only one unit in a row of three. The committee voted to offer an **objection** on the grounds that the proposed additional storey, including the raised ridge height, dormers and roof lights, would be out of keeping with the street scene.
